FCC - MAILROOM

This letter is to request a waiver of filing deadlines for our applications for the funding year 07/01/2004 – 06/30/2005. I had been in the position of Director of Technology and had made all of the filings for our district with the USAC. I moved to a different position and another person was transitioning into the position of Director of Technology. During the handing over of the duties the new person was not made aware that the invoices had to be filed for these services and I had not filed them; therefore the forms did not get filed in a timely manner.

Due to these circumstances, our district has requested and RECEIVED an extension for filing the appropriate invoices. The reason we are requesting this waiver is that on the Form 472 (BEAR Form) Notification Letter we received on November 17, 2006, we were funded for \$0.00 of the \$11,088.00 originally approved on our Funding Commitment Decision Letter.

We are submitting a REQUEST FOR WAIVER to allow us to collect the full amount as initially stated on our Funding Commitment Decision Letter.

Sincerely,

Tony Minton
